& WATER
AGENCY

GOVERNMENT OF MALTA
MINISTRY FOR ENERGY, ENTERPRISE
AND SUSTAINABLE DEVELOPMENT

PROJECT LEAD

The Energy and Water Agency.

The Agency (EWA) supports Government in the formulation and implementation of national policies and management plans in the energy and water sectors.

- An **8 hour online training course** aimed at corporate employees.
- Follow up **support sessions**, available on request.

PROJECT AIMS

- To offer a service to the corporate sector by means of an employee training programme.
- To create a positive impact on businesses by raising awareness on their role in sustainability.
- To present concepts and issues faced by the corporate sector on sustainability.
- To offer ideas on sustainability solutions.
- To instil behavioural change across the corporate sector.
- To promote employee well-being.

PROJECT LEARNING & ACTION OUTCOMES

- Evaluate how the SDGs can contribute to the process of change towards sustainable development.
- Identify challenges and opportunities for improved sustainability in the workplace.
- Highlight principles of good practice in the workplace for sustainable development.
- Devise a plan of action that reduces the impact of human activities on the environmental (water / carbon) footprint.

PROJECT ACTIONS

The involvement and support from senior management, is key for the behavioural changes to occur at the workplace. It would be preferred that these are roped in as stakeholders from the early stages of the project. The project actions will be conducted over two phases:

Phase One: A one day training course based on Education for Sustainable Development (ESD) principles. The course will be offered to employees from the corporate sector.

Phase Two: Follow up sessions, available on request with the attendees of the training course by applying ESD strategies in order to create behavioural change. This will be done by means of an action plan and/or a sustainability diary.

Courses shall be held online. Each course shall consist of 8 hours - 4 sessions of 2 hours each. Dates for the new course:

23rd March, 2021

20th April, 2021

18th May, 2021
